NEW ORLEANS BAPTIST THEOLOGICAL SEMINARY (NOBTS)

WHITWORTH EXTENSION CENTER

Established in 1995 at the Louisiana State Penitentiary Angola Extension Center, provides offenders the opportunity to obtain a Bachelor of Arts (B.A.) degree in Christian Service.

NOBTS currently offers an associate degree in a two-year cycle and will be expanding to a four-year bachelor's degree to 20 offenders per class. The classes are taught and graded on a college level; therefore, failure to maintain a C average will result in academic probation and eventual expulsion from the program.

There are four classes: Marriage and Family Counseling,
Introduction to Preaching, Church History, and Evangelism.
The program also consists of eight core competencies:
Biblical Exposition, Christian Heritage, Servant Leadership,
Interpersonal Relationships, Spiritual & Character Formation,
Disciple Making, Life Skills, and Worship Leadership.

To participate in the program, offenders must have a high school diploma or GED, a minimum of five years left to serve upon completion of the program, be disciplinary free for 12 months, have a staff recommendation, and be willing to participate.

STRUCTURE

TRUETT MCCONNELL UNIVERSITY

PHILLIPS EXTENSION CENTER

Truett McConnell University (TMU) is a private Christian liberal arts and sciences university operated under the auspices of the Baptist Convention of the State of Georgia (DBA Georgia Baptist Mission Board). The mission of the University is to equip students to fulfill the Great Commission by fostering a Christian worldview through a biblically-centered education in a family friendly environment.

STRUCTURE

The Phillips State Prison site is an extension of the institutional mission. Students pursuing a BA in Christian Studies degree are being equipped as "missionaries" who will eventually be redistributed to prisons throughout the state of Georgia, essentially becoming co-laborers with the chaplains in those prisons so as to fulfill the Great Commission. The degree program emphasizes a broad general education foundation followed with classes in biblical studies, biblical languages, theology, and practical ministry. The students should expect a rigorous academic environment in which they can mature in discipleship and scholarship.

To participate in the program, offenders must have a high school diploma or GED, a minimum of five years left to serve upon completion of the program, be disciplinary free for 12 months, have a staff recommendation, and be willing to participate.

REQUIREMENTS

All TMU coursework is provided through the School of Theology and Missions. Students must complete 125 hours of academic study, attend eight semesters (two per year), and attend classes or study for eight hours a day. Tutor Programs are also available for advanced students to assist offenders with academic support and assist instructors with grading.
