Prison Rape Elimination Act (PREA) Annual Report - 2024

Georgia Department of Corrections

Introduction

The Prison Rape Elimination Act of 2003 (PREA) was signed into federal law with the purpose to provide for the analysis of incidence and effects of prison rape in federal, state and local institutions and to provide information, resources, recommendations and funding to protect individuals from prison rape. In 2012, the Bureau of Prisons published standardized guidelines promulgated by the Attorney General of the United States. PREA applies to all public and private institutions that house adult or juvenile offenders.

The Georgia Department of Corrections (GDC) maintains a zero-tolerance policy regarding sexual abuse and harassment of offenders within the agency's 35 state prison facilities, 13 transitional centers, 13 centers (this includes PDC's, RSAT's and ITF's), 21 county correctional institutions and four private prisons.

All sexual abuse and sexual harassment allegations are investigated. Each case is documented on an incident report and entered in GDC's PREA SCRIBE Module. The originating facility is required to complete an administrative investigation and is required to retain all investigation documents at the local level. Allegations can also be criminally investigated by our Office of Professional Standards (OPS) investigators depending on the nature of the alleged incident. The Statewide PREA Coordinator tracks the progress of the investigations with constant contact with the facility, in which the allegation was made and with the investigator that is assigned to the case, if applicable. Upon completion of each investigation, appropriate disciplinary action is taken against the perpetrator; where criminal intent is discovered, the case is presented to the District Attorney for prosecution. Case files of PREA allegations of a criminal nature are maintained for a period of at least 10 years upon completion of the investigation.

It is important to note that the Georgia Department of Corrections is continually improving the reporting and investigation methods to ensure the highest level of compliance, as well as swift corrective action when needed. The agency's zero-tolerance policy not only aims to protect all offenders under GDC jurisdiction from sexual harassment and abuse, but also protect anyone who reports or cooperates with an on-going investigation, from retaliation.

This report summarizes all 2024 PREA allegations that were generated from the facilities mentioned in paragraph two of this document. The Georgia Department of Corrections compiles and investigates PREA allegations in four major categories: 1) Staff-to-Inmate Abuse (S/I Abuse); 2) Staff-to-Inmate Harassment (S/I Harassment); 3) Inmate-to-Inmate Abuse (I/I Abuse); and 4) Inmate-to-Inmate Harassment (I/I Harassment).

Upon completion of the investigation, all allegations will be deemed one of the four dispositions:

1. Substantiated: determined the event did occur.
2. Unsubstantiated: evidence was insufficient to make a final determination as to whether the event did or did not occur.
3. Unfounded: determined the event to have not occurred.
4. Not PREA: determined to not meet the definition of a PREA allegation.

NOTE: Unsubstantiated and substantiated cases forwarded to the Office of Professional Standards (OPS) for further investigation can also include a "forwarded for OPS investigation" status. The GDC has redacted identifying information of victims and aggressors, as well as information that could jeopardize the security of our facilities, or the GDC.

Sexual Abuse Response Team (SART) Training:

2024 marks the 12th year since GDC adopted and implemented PREA standards for our facilities. Through extensive, repetitive SART trainings, staff can better interpret definitions for allegation types, as well as allegation dispositions. Accurate application of allegation definitions leads to better accountability. Additional training in investigative techniques is also allowing more accurate dispositions to be reached. Better use of the Sexual Victim/Sexual Aggressor Classification Screening Instrument makes a safer environment for those more susceptible to sexual abuse.

Site visits and on-site audits:

Site visits and on-site audits have increased the awareness of PREA protocols, to include preventative measures and definition interpretations for allegation types, as well as disposition definitions. Site visits and virtual meetings by members of the PREA Unit allow easy access to central office resources for facility SART members. This makes it possible to receive near-immediate assistance when needed to answer questions regarding investigative concerns or get clarification on matters regarding the Federal PREA Standards or GDC Policy.

Conclusion

The Georgia Department of Corrections enforces a zero-tolerance policy to sexual harassment and sexual abuse. To ensure this policy is implemented in the most efficient manner possible the GDC continues to improve the processes of how PREA allegations are interpreted, reported, and tracked. Investigation training, coupled with our prevention trainings, have greatly assisted our efforts to maintain consistent application of the standards.

Overall, there was a less than 1% decrease in the number of allegations compared to last year while substantiated cases decreased by 46%. The indicators point to the likelihood that the cases that truly involve sexual abuse and sexual harassment are being accurately investigated. Our dedication to constant improvement and continual monitoring will allow the agency to continue to achieve its goal of protecting all offenders from sexual harassment and sexual abuse.

Appendix B – PREA Focused Initiatives

Audits:

GDC continues to maintain compliance in accordance with § 115.401 *Frequency and Scope of Audits*, by contracting with a Federal PREA Auditor to audit all facilities in a 3-year cycle. Each year, one-third of GDC facilities with similar missions are audited. Copies of GDC's PREA Audit Reports can be found on the GDC's public website as required by the PREA Standards at: <https://gdc.georgia.gov/organization/about-gdc/agency-activity/research-and-reports/prison-rape-elimination-act-prea/prea>

2nd Cycle, Year 3: The third year of cycle two audits began on August 20, 2018. Federal PREA Audits were conducted for 10/34 state prisons, 4/14 state operated transitional centers (TC's) and 3/13 community confinement facilities (PDCs). Year 3 ended August 19, 2019, and resulted in certification of full compliance with the PREA Standards.

NOTE: For Cycle 2, Years 1 and 2 we had 33 state prisons. A 34th state prison was opened in Cycle 2, Year 3.

3rd Cycle, Year 1: The first year of cycle 3 audits began on August 20, 2019. Federal PREA Audits were conducted for 11/34 state prisons, 3/14 state operated TCs and 4/13 community confinement facilities (PDCs). Year 1 ended August 19, 2020, and resulted in the GDC operating under an assurance of compliance with the PREA Standards. The GDC was not listed as certified because we were unable to audit six (6) of our facilities due to COVID-19 restrictions. These six facilities, 5/35 state prisons, and 1/13 community confinement facilities (PDCs), were audited after COVID-19 restrictions were lifted. Since that time the GDC has been operating as certified in full compliance with the PREA Standards.

3rd Cycle, Year 2: The second year of cycle 3 audits began August 20, 2020. The facilities that could not be audited during COVID-19 restrictions were audited during this audit year.

NOTE: For Cycle 3, Year 2 a private TC and a state-operated TC was closed.

3rd Cycle, Year 3: The third year of cycle 3 audits began August 20, 2021. Federal PREA Audits will be conducted for 11/35 state prisons, 4/11 state operated TCs and 5/15 community confinement facilities (PDCs).

4th Cycle, Year 1: The first year of cycle 4 audits began August 20, 2022. Federal PREA Audits will be conducted for 10/35 state prisons, 2/11 state operated TCs, 4/15 community confinement facilities (PDCs), and 2/25 Contracted facilities.

4th Cycle, Year 2: The second year of cycle 4 audits began August 20, 2023. Federal PREA Audits will be conducted for 10/34 state prisons, 3/11 state operated TCs, 4/14 community confinement facilities (PDCs), and 4/25 Contracted facilities.

4th Cycle, Year 3: The third year of cycle 4 audits began August 20, 2024. Federal PREA Audits will be conducted for 11/34 state prisons, 3/11 state operated TCs, 4/14 community confinement facilities (PDCs), and 19/25 Contracted facilities.
