

## Year-end counts of inmates of the Georgia Prison System, 1925 to present

Includes state prisoners in state prisons, inmate boot camps, county prisons, transition centers, & private prisons.  
 Does not include probationers in detention centers, diversion centers, or probation boot camps, nor inmates in county jails.  
 Sources: 1925-1979 National Corrections Reporting Program (NCRP). 1980-1999: December average daily populations.  
 2000 Forward: Population (Head Count) report for December 31st.  
 Updated annually, in first week of January.

Year	Count	Year	Count	Year	Count	Year	Count	Year	Count
1925	3,007	1945	3,585	1965	7,966	1985	16,401	2005	49,144
